

# STUDIO H DANCE COMPANY

## COVID-19 Policies & Procedures

Effective September 9, 2020

**First off, let's start by saying WELCOME BACK! We have missed you!**

The health and safety of Studio H Dancers, Families and Staff is our top priority. Studio H Dance Company, LLC (SHDC) will be following the Michigan Health Department's guidelines for reopening and implementing additional measures to ensure safety.

Classes will be held in-person at SHDC. Class sizes will be limited to abide by capacity rules and allow space for social distancing. In addition to in-person classes, we will be offering a Zoom option for a limited time, to accommodate students and families who feel more comfortable dancing at home.

### **STUDENT GUIDELINES:**

- If a dancer shows any symptoms within 72 hours of their scheduled class, they may not attend. Symptoms include but are not limited to cough, shortness of breath, sore throat, fatigue, loss of smell or taste, chills, body aches, and fever of 99.9 or higher.
- If an immediate family member of the dancer is sick, the dancer may not attend.
- Students are required to wash hands or use hand sanitizer at the beginning of class.
- Students should arrive fully dressed in dance clothes and ready to participate in class.
- Students will be given assigned dancing spots to promote social distancing.
- Masks are required for check-in, check-out and all traveling about the studio. Masks while dancing are optional, and the decision is left to dancers and families to decide what is best for them. As stated in Governor Whitmer's executive order revision, masks are only required for sports when maintaining 6 feet of distance is not possible.

### **DROP OFF & PICK UP:**

- Facial coverings are required inside and outside of the building for students and parents.
- Students should arrive at their class start time. If you arrive early, please make sure to remain in your vehicle until the class start time.
- Parents may walk students to the door, where a staff member will greet and take temperatures.
- At this time, the lobby will be completely closed to ensure we abide by capacity rules. Parents should wait in cars until classes have concluded.
- If a student under the age of 5 needs assistance, parents may escort them into the studio and help students get settled. Parents should exit as soon as possible.
- A staff member will escort students outside once class has ended.

### **ADDITIONAL PROCEDURES/GUIDELINES:**

- Staff will be disinfecting surfaces before and after classes. SHDC will be disinfected daily and a deep clean will take place weekly.
- Bathrooms will be available for staff and students only. The bathrooms will be disinfected multiple times daily.
- All hand sanitizers, soap and disinfectants being used meet CDC guidelines and are EPA approved.

### SIGNS/SYMPTOMS

Student is showing signs and symptoms of COVID-19.

### POSITIVE TEST

Student or a close contact has tested positive for COVID-19.

### POSSIBLE EXPOSURE

Student may have been exposed to COVID-19 by a close contact. This person has been tested for COVID-19 and you are waiting for results.
